NAIA NEWSLETTER | APRIL 2024

Blessings from NAIA!

We had such an eventful month, last month and are so excited for what is to come in April! As this month begins to bud, we will be hosting some community events to connect, build and learn from traditional Native artisans.

As we continue to grow, your donations remain central to the building of our Circle of Life Indian Cultural Center. Thank you for supporting our vision!

We had the pleasure of learning a variety of traditional crafts from some of our cohort's artisans, as they led creative demonstrations focusing on their tribal art. We look forward to our next event, and would love to see you there!
